## Professional Summary

A teacher with almost 5 years of teaching experience in Public School, 4 years in a Private School and dedicated to every child's intellectual, physical, and emotional growth. Passionate about helping children reach their full potential and creating a strong foundation for them to build upon for a successful educational future.

To create an environment of warmth, care while using my experience and expertise to help children nurture their natural skills in learning and socializing so they can maximize their talents and abilities.

Looking forward to share and apply my learned techniques and strategies in teaching in the institution I am into.
