**TO WHOM IT MAY CONCERN:**

I'm writing to recommend Marvonn C. Espina for the position English teacher at your school district. I've had the opportunity to work with him last 2012 to 2015 in Phayakkaphumwittayakarn School, and have been consistently impressed with his diligence, efficiency, and ability to get things done.

I believe that Marvonn would be an excellent addition to your teaching staff. I've been consistently impressed with his organizational skills and grace under pressure. In our industry, as you know, every position requires great communication and organizational skills which Marvonn has. Marvonn constantly seeks to learn more about our culture and programs so that he can help serve our students improve in their English capability. He is also a quick learner who picks up new technology with great speed.

For these reasons, I recommend Marvonn for the teaching position he is applying for and I believe he would be a valuable asset to your school.
